Truck decorating contest on September 18th

The rules for the truck decorating competition are:

- **All decorations should be appropriate in content (not profane, obscene, etc.). Check with Mr. Bostic or Mrs. Friend if you are uncertain about the appropriateness of any of your ideas. Only decorations on the truck bed, body, tires or visible interior will be judged (i.e. reasonably attached to truck – no tables or extraneous decorations).**
- **The truck needs to be in the soccer field parking area with all decorating complete by the beginning of the game. You will be able to decorate at that location after school on the day of Homecoming starting at 3:30. A winning entry will be selected and announced during the game. Entries will be evaluated based on effort and creativity.**
- **Each class is responsible for removing the truck and cleaning up after the competition.**
- **The winning class will be recognized with the traveling trophy.**
- **The class secretary is responsible for turning in a list of class members who helped decorate.**
- **Contact Mr. Friend or Mr. Smith if you have any questions.**

The soccer game starts at 5:30. Royalty will be announced at half time.
