APRIL 23RD

NATIONAL CHERRY CHEESECAKE DAY

On National Cherry Cheesecake Day, April 23, we're celebrating the smooth dessert topped with antioxidant-loaded cherries. We always knew it was a classic, but did you know it dates back to 2,000 B.C.? The cheese-based delicacy has long been a favorite but has changed in many ways over the years. Today, we most often imagine cherry cheesecake with a graham cracker or pastry crust, filled with cream cheese, and topped with nutrient-rich cherries — with a drizzle of thick cherry sauce to top it off. Our mouths are watering just thinking of it!
