### APRIL 15TH NATIONAL MCDONALDS DAY

McDonald's Day falls on April 15, the anniversary day of when Ray Kroc opened his first McDonald's restaurant in Des Plaines, Illinois, in 1955. Most, if not all, people around the world know this name, we believe. It's one of the world's largest fast-food restaurant chains. Did you know that Ray Kroc was not the founder of McDonald's? The founders were the McDonald brothers. The current corporation credits its founding to Ray Kroc. So, let's celebrate this McDonald's Day in honor of Kroc as well as the restaurant founders, the McDonald brothers.
