This week is College Go Week!

We would like to encourage all students and staff to support their favorite colleges by wearing college attire throughout the week.

Today marks the start of College Go Week. College Go Week is a state-wide campaign to promote awareness and a college going culture in schools. This week we will encourage all students and staff to wear their college gear. We will be playing a daily trivia game during announcements. Ms. Sauerhage will also be sending out some optional activities through class group emails. Check daily for activities and special announcements.
