1. RSOCS is an At-Will Employer, and employment with the RSOCS is strictly at will terminable by the RSOCS at any time, and at its sole discretion, without advance notice.
Only the Board of Trustees upon recommendation of the Superintendent has the authority to modify this policy. Further, no policies, procedures, customs and/or statements, whether written or oral, shall constitute a modification of this express condition of employment.
2. Nothing contained in the Classified Handbook should be relied upon to establish any specific promises concerning continuation of employment.

D. ANTI-HARASSMENT (Policy 4362)

RSOCS will not allow any form of harassment within the working environment. It shall be a violation of this policy for any employee of the RSCOS to harass another employee or student through conduct or communication of a sexual nature as defined in policy. It shall also be a violation of this policy for a student to harass another student or employee through conduct or communication of a sexual nature

as defined below. This policy similarly applies to non-employee volunteers who work subject to the control of school authorities.

E. ILLEGAL DRUG AND ALCOHOL ABUSE (Policies 4122.01, 4162, 4170)

Severe disciplinary action can include suspension, dismissal or any other penalty appropriate under the circumstances.

The use, possession, transfer, or sale of any illegal drugs or alcohol on RSOCS premises either owned or leased, is prohibited as per policy. Employees who violate this rule are subject to severe disciplinary action, including dismissal. In all instances disciplinary action to be administered shall be the sole discretion and determination of the superintendent.

RSOCS reserves the right to require a drug and/or alcohol test at its expense when there is a reasonable suspicion of drug and/or alcohol impairment.

G. REPORTING ACCIDENTS /WORKERS COMPENSATION (Policy 8442)

The School Board directs that all reasonable efforts be made to ensure a safe learning and working environment for the students and employees of this Corporation. To that end, and so that legitimate employee claims for worker's compensation be expedited, the Board requires that accidents be reported and evaluated. Any accident that results in an injury, however slight, to a student, an employee of the Board, or a visitor to the schools must be reported promptly and in writing to the Corporation business office (fill out a Standard School Incident Report Form). Injured persons shall be referred immediately to the school nurse and/or appropriate personnel for such medical attention as may be needed.

The injured employee, visitor, or the staff member responsible for an injured student shall complete a form (Standard School Incident Report Form), available in the office of the principal that includes the date, time, and place of the incident; the names of persons involved; the nature of the injury to the extent that it is known; and a description of all relevant circumstances.

It is not the responsibility of the reporting party to make any determination as to whether or not there has in fact been any abuse or neglect of the child, his/her responsibility is only to report his/her suspicions and the facts which give rise to them.

Staff personnel should be aware that by statute, they are immune from any civil and/or criminal liability when reporting, in good faith, a child abuse or neglect, and that failure to do so could result in legal action against a staff member or RSOCS. Specifically, it is a Class B Misdemeanor to fail to report a case of child abuse or neglect when the person observing it has reason to believe that is taking place. Also, the school district itself commits a Class B Misdemeanor when a report of abuse or neglect that is reported to a member of RSOCS is not passed on to the appropriate agency. 2. All other provisions shall comply with the existing procedures for certified staff members, except there will be no corporation match contribution.

V. School Closings

- A. SCHOOL CLOSINGS AND DELAYS (Adverse Weather Conditions and other Emergencies)
1. The following employees are required to report to work when school is dismissed due to inclement weather IF AND WHEN THE WEATHER CONDITIONS NO LONGER POSE A THREAT TO THE EMPLOYEE'S SAFETY IN TRAVELING TO HIS/HER ASSIGNMENT.
 - a. Custodians, maintenance personnel. These employees are needed for snow removal and building preparation.
 - b. It is understood that, if snow is extremely deep and a snow emergency is called by the City, County, or State officials that NO ONE is to report. In such a case, any 12-month employee may elect to take that day without pay rather than give up a personal day or vacation day.
 - c. In the event the Superintendent declares all offices closed, delayed, or closed early, all employees who work their regular hours when school is canceled and offices are open, shall be paid based upon their regularly scheduled hours and rates of pay.
 2. OTHER HOURLY EMPLOYEES:
 - a. Will NOT report to their assigned work location on days when schools are closed because of adverse weather conditions or other emergencies.
 - b. Will NOT be paid for days when schools are closed because of adverse weather conditions or other emergencies, but will be paid IF AND WHEN these days are rescheduled.
 - c. On late arrival days due to inclement weather, classified staff have the option of staying home (unpaid) or reporting to the front office of the building where their day starts to report for pay.
 - d. Will be paid for time worked if they have reported to school prior to a delay being changed to a closing.
 - e. Will be paid only for hours worked, as reported on the weekly timesheet by the employee.
- T. eLEARNING DAYS

eLearning is learning utilizing technologies to access educational curriculum and opportunities previously inaccessible inside and outside of a traditional classroom. Students do not physically attend school, but access their assignments off campus.

There may be days all staff will be required to be physically present on scheduled eLearning Days for Professional Development. On snow days where an eLearning Day is used, maintenance and custodial staff will still need to report (as long as there are no travel restrictions for Ohio County) while other classified staff may be given options; i.e. - participate in professional development to be paid, unpaid day or use a personal/vacation day.

The school corporation's goal will remain to provide continued work or professional growth opportunities for classified staff and ensure no loss of pay for the day. Instructions will be provided to all classified staff when an eLearning Day is used by the school corporation.
