If a teacher receives a stipend from a college/university to teach a dual credit class, the teacher is not eligible for the \$1,000 stipend unless the amount is less than \$1,000 which in case the school will cover the difference.

For informational purposes only. The following was not bargained: Dual credit stipends will be paid at the conclusion of the course. Additionally, the stipend will be awarded as follows:

1. \$1,000 stipend per class period that awards dual credit, OR
2. \$1,000 stipend per group of 20 students in a class period

The stipend will be awarded according to whichever is greater. For example, if a teacher has a class size of 30 students in a single class period, the teacher would receive \$2,000 due to having more than 20

students. This decision was made in consideration of teachers whose schedule requires them to have fewer sections with larger class sizes.

In the event that a ECA position is "split" between two or more individuals, the listed stipend will be "split" proportionately.

If an Assistant Coach cannot be employed, and the Head Coach assumes the Assistant Coach position during the same time period, s/he shall be compensated at the Head Coach PLUS one-half (1/2) of the Assistant Coach stipends.

If an Assistant Coach cannot be employed, and the Head Coach assumes the Assistant Coach position during a different time period, s/he shall be compensated at the Head Coach PLUS the Assistant Coach stipends.

For informational purposes only. The following was not bargained: No extra-curricular assignments identified on the extracurricular salary schedule shall be given to any individual outside the bargaining unit until all bargaining unit members who have applied for the posted position are contacted and considered for the position.

When possible, extra-curricular positions for the following year shall be filled by the end of the preceding school year.

Extended teaching contracts of persons represented by the O.C.C.T.A. in the Rising Sun-Ohio County Schools include:

- In the event that negotiations of a successor contract are not completed, these extended days are not to be included as part of the Status Quo provision of P.L. 217.ECA exceptions on the following page.
